## PORTLAND COMMUNITY GARDEN 2018

### Portland Community Garden

Hello Gardeners! It's never too early to think about warm summer days and all the delicious tastes of summer. Come join us at the Portland Community Garden. All are welcome to come and grow their favorite vegetable, flower or herb. The Portland Community Garden is located in Bransfield Park on Rose Hill Road in Portland. Gardeners can purchase a 10x10 plot for the summer. The cost is \$30/plot. Plots will be rototilled and water and a hose are provided. Each gardener is responsible to Plant, Weed, Water and Clear their plot at the end of the season. We are an organic garden so no pesticides or herbicides please. We welcome back the many returning gardeners and look forward to all who wish to join us this year. Are you new to gardening and not sure of what to do? Marilyn McGrath, Master Gardener is here to assist you with all your gardening questions. Families, Groups and Clubs are welcome too.
