Player Evaluation (To assist with Team Selection) at Portland Middle School

The Player Evaluation will be set up as two drill based practices, reviewing and teaching individual and team fundamentals. We recommend that each player attend one Player Evaluation BUT if they can not, they will still be placed on a team. We encourage players to come as many of the evaluation as possible. Even though we call it an evaluation, the main objective is to get the players into the gym, play some basketball, and some fun. After the second evaluation, if we have enough coaches, we will develop teams and start practices.
