

KIDS' BLAST BULLETIN

Spring 2022

Easter Egg Posters

Our 5th and 6th graders helped decorate egg shaped posters for the Portland Easter Egg Hunt. They included describing words about wellness and spoke about how to look after their personal health.

Cookie Decorating

We all had a great time decorating cookies with frosting and sprinkles! Thank you Mrs. Scata for stopping by with such fun ideas!

Over April Break

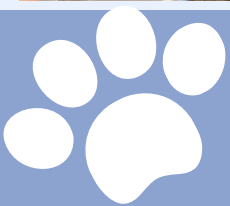

April Break started off with a super fun talent show where the students and staff were able to show off their awesome skills and interests!

After April Break, the Easter Bunny stopped by Kids' Blast!
They hid over 300 eggs all around Kids' Blast filled with pretty awesome toys and treats!
Thanks, Easter Bunny!

Birdhouses

Students and staff decorated birdhouses to take home to their neighborhood birds this spring. Students practiced mixing different paint colors to give their house a personal touch!

Exciting News!

On Tuesday May 24th, the Connecticut Humane Society will be coming to Kids' Blast! Students will learn all about how to interact with animals in a kind and safe manner!

Spring Cleaning

It's spring cleaning time! If you are looking to get rid of any gently used toys, Kids' Blast would love to take them off your hands!
