

Kids' Blast Bulletin

Fall 2022

ART DAY!

Ms. Sarah planned an awesome art day for the students. We all were given a canvas and followed along to Ms. Sarah's step by step painting instructions.

The kids had a blast making a sunset painting.

Rewind with Yoga!

Kids' Blast has been lucky enough to welcome Cynthia Mazzotta to our program every other Wednesday! She has been teaching us new yoga moves to help everyone rewind and relax!

Fall Fun!

With the beautiful fall weather, everyone has been having so much fun playing outside!

Our favorite activities have included playing make believe, basketball, four-square, and even catching Pokémon!

Art Contest!

This month we had our first Art Contest! Students had free reign to draw whatever they wanted and submit it to our esteemed judges.

Congratulations to our winners...

Leah, Micah and Danielle!

Important Parent Info!

Winter is coming! Please make sure to send your child with warm clothes to Kids' Blast! We love going outside, but its starting to get chilly!
