

Portland Parks and Recreation presents... Unified Theater

Unified Theater is back!

Unified Theater is a transformative performing arts program that “dissolves typical barriers between youth” by recruiting young actors and actresses of all abilities to create and perform in a play.

The program is designed for students entering grades 3-5 in the fall of 2019.

As a team, **WE** will develop improvisation skills, learn the layout of the theater, build sets and costumes, create skits, and prepare for a culminating play.

By encouraging creative expression and teamwork, Unified Theater is determined to put the “**Spotlight on Ability!**”
